## Amazing Nfinity Shoe / Kneepad Club Deal

Whether you buy shoes as part of your package or not – if your club orders at least 25 pairs of Nfinity Volleyball Shoes by December 15th, your program will be entered into a drawing to win free Nfinity d3o Kneepads for the ENTIRE club. Even if you have 100 athletes in your program, you can win free kneepads for them all with a simple 25 pair-qualifying order. If you have already ordered 25+ pairs before November 1st of this year – no problem you're covered.

On December 16th, a drawing will be held by the National Sales Manager of Nfinity that will include all orders of 25 or greater Nfinity Volleyball Shoes placed between November 1st and December 15th of 2009. The lucky winner will walk away with as many kneepads as they need for their club (regular \$49.99 value each).

The kneepads that will be given away are white only, preproduction kneepads.

For more information, or to place your order for 25+ Nfinity Volleyball Shoes, please contact Midwest Volleyball Warehouse at 1-800-876-8858 or visit us online at [www.midwestvolleyball.com](http://www.midwestvolleyball.com).

About the Intelligent Shock Absorbtion material d3o:

d3o(dee-three-oh) is a specially engineered material made with intelligent molecules. They flow with you as you move but on impact the molecules lock together to absorb and disperse the energy. The harder the impact, the faster the molecules react giving you the freedom to perform while responding to your protection needs.

Impact protection in active sports has traditionally been provided by bulky, rigid protectors. This is not ideal as it forces a compromise between the amount of protection you can accept and the freedom of movement you can enjoy. d3o technology negates this trade-off by providing a high degree of protection AND total freedom of movement.
